

# 2011 Victory Performance Nostalgia Super Stock Points Series

*Presented by Mickey Thompson Tires and DragRacingOnline.com*

Open to 1959-1969 period correct super/stock cars with multiple carburetion and series approved body and big block engine combinations. Cars must have complete interiors (back seat optional). Period correct hood scoops or flat hood. Maximum rear tire width of 10.5W. Gasoline only, no alcohol. All cars must meet current NHRA safety tech for their ET. No sheet metal or tunnel Ram intakes allowed. No electronics, no trans brakes, two-steps allowed with manual transmission only. The decision of the Race Director is final. Cars will run on .25 second interval indexes starting at 9.00 to 12.50. For qualifying body and engine combinations or other information, call Chris Schneider: (573) 644-3272.
